Dear Ms. Vasquez:

Thank you for your September 3 letter and petitions to the Citizens' Stamp Advisory Committee expressing continued support for the issuance of a commemorative stamp honoring family caregivers.

I'm pleased to inform you this proposal remains *under consideration* by the Committee for possible future stamp issuance. At this time the 2011 and 2012 stamp programs are completed, and stamp subjects for the 2013 program and subsequent years are being selected. Although many of the subjects for upcoming new stamps have been identified, no public announcement of individual new stamps is made until the entire stamp program for that year has been approved. This occurs in the fall preceding

We appreciate your continued interest in our stamp program.

Sincerely,

A handwritten signature in black ink that reads "Terrence W. McCaffrey".
